ELGYDIUM

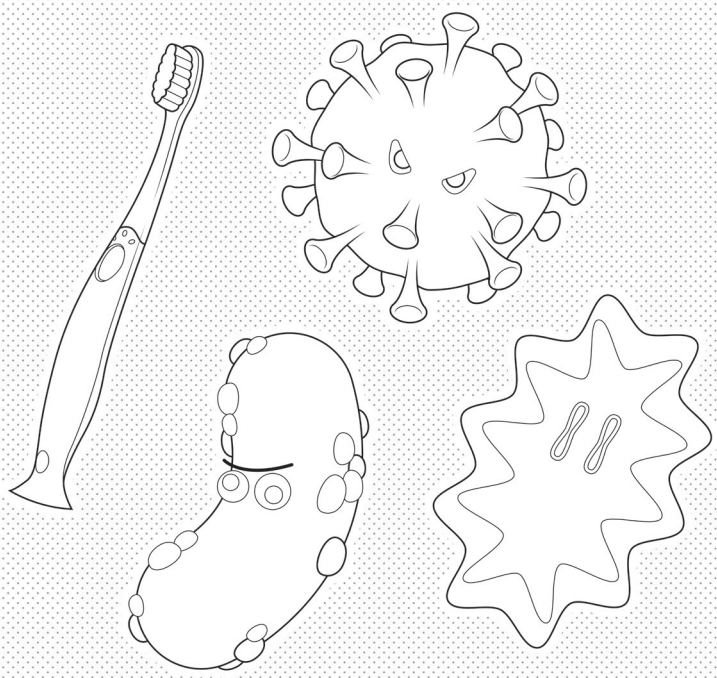

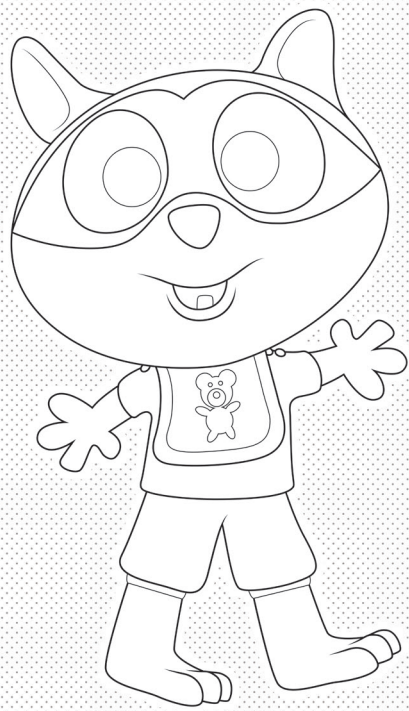

HOW DOES IT WORK?

- ① Color the images.
- ② Download the WAKATOON app and enter ELGYDIUM as the keyword.
- ③ Take a photo and watch your image come to life!

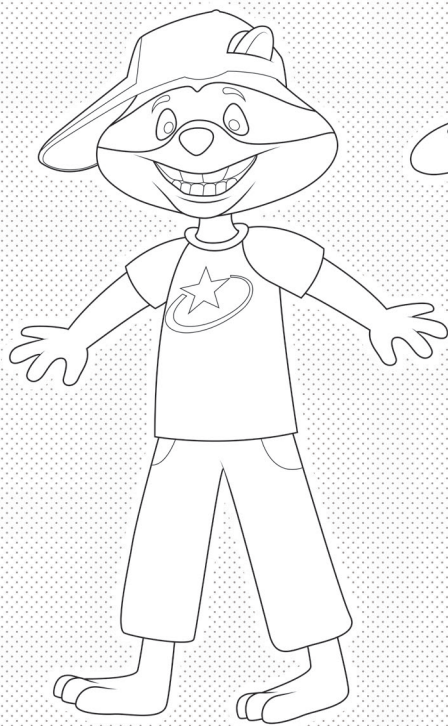

SYNOPSIS :

What a funny dream for Raccoon! In an imaginary garden, a sculpture in the shape of teeth is attacked by bacteria. Fortunately his elder brother will come to help him by explaining to him that brushing his teeth with Elgydium helps protect them. A useful advice in the dream but also in real life!
